

EZZI VISION
Vacuum and Thin Film Technology

Vacuum Fittings Catalogue

Fittings Guide

Welcome

Ezzi Vision's core business is the supply of vacuum, glove box and thin film coating equipment to universities, research & scientific institutes and industrial & manufacturing companies.

Ezzi Vision is proud to be an Australian family owned business with over 30 years of combined vacuum, thin film and glovebox technology experience, We can provide you with products, service, training, and customer support like no other supplier.

Housing over more than 18 different dealerships and 1600 varied products under one roof, Ezzi Vision Pty Ltd is truly a one stop shop for complete vacuum and thin film technology solutions.

Understanding the technical requirements of our clients clubbed with in time delivery are the aspects that has been the key to success Fully serving our customers. We have a competent team of professionals who often put in that extra hour to ensure customer satisfaction, work with passion and strive to keep themselves in stride with new development in the industry. We can offer our customers service contracts covering both normal and preventative maintenance. The philosophy of Ezzi Vision is to run an organization which provides professional, effective engineering and equipment to users of vacuum equipment in the Australian & New Zealand market.

Sincerely,

Dr Adil Adamjee, MEng. MBA PhD (Sheffield, UK)
Managing Director
